

LEGNO

BUILD A MORE PROFITABLE CABINET BUSINESS.

Your brand. Our factory.

TRADE PARTNER PROGRAM · CENTRAL FLORIDA

Sell more — without building a factory.

You keep the customer relationship, the design vision and your brand. We give you the production capacity, technology and premium product to grow.

YOU DESIGN

YOU SELL

WE PRODUCE

YOU INSTALL

Your business. Your customer. Your margin.

A simple model made to scale.

01

CREATE THE PROJECT

Use our online design, estimate and rendering tools.

02

CLOSE THE SALE

Present a premium product with competitive factory pricing.

03

SEND IT TO PRODUCTION

We manufacture your custom cabinetry in Central Florida.

04

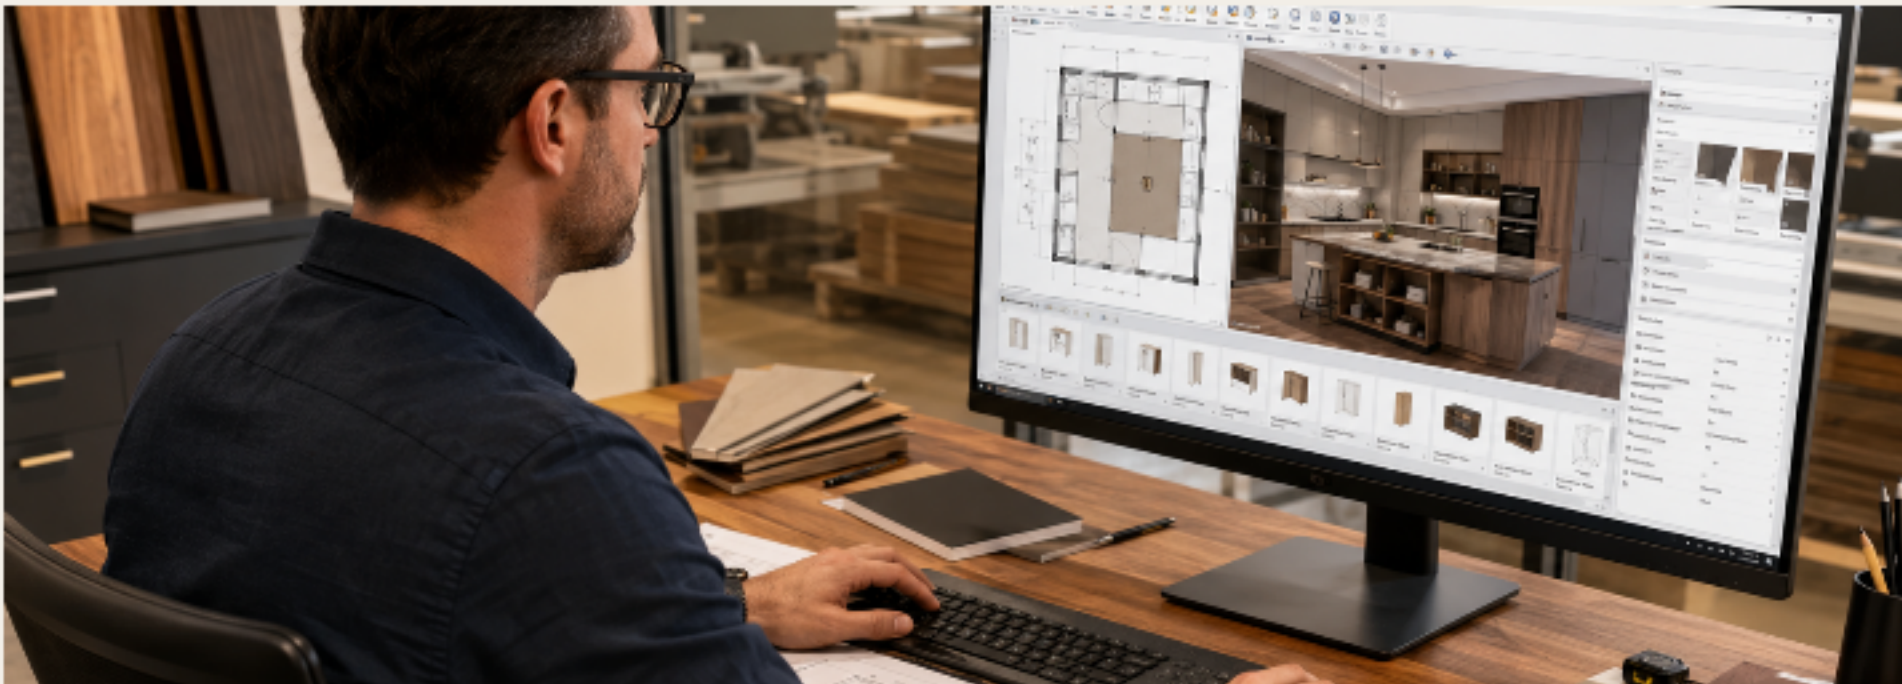

INSTALL UNDER YOUR BRAND

You own the relationship from beginning to end.

Design it. Render it. Price it instantly.

Technology built for projects, customization and faster sales.

LIVE DESIGN

Build the project directly in our exclusive portal.

INSTANT ESTIMATE

Pricing updates as the project develops.

PRO RENDERING

Present the vision before the order.

FULL CUSTOMIZATION

Adapt modules, finishes and configurations.

A better presentation creates confidence.

Show the project, finishes and possibilities before production begins.

DESIGN · CUSTOMIZE · PRESENT · CLOSE

One production partner. Every room.

KITCHENS

CLOSETS

BATH

LAUNDRY

LIVING

Custom European-style cabinetry designed around your market.

A palette designed to sell.

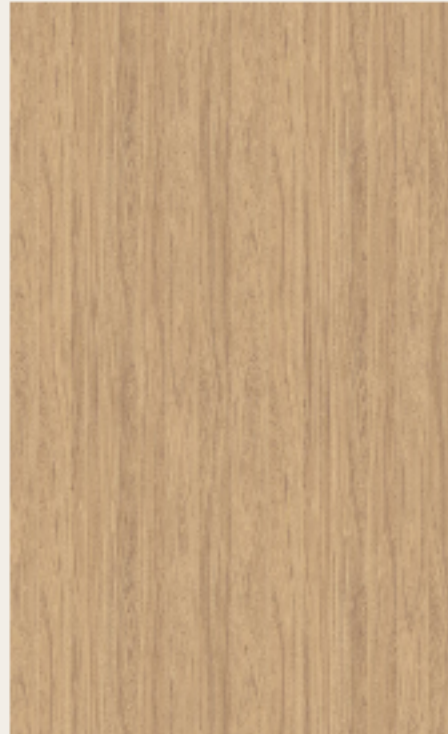

Warm, natural and easy to combine.

WHITE TOSSINI

NATURAL CARINI

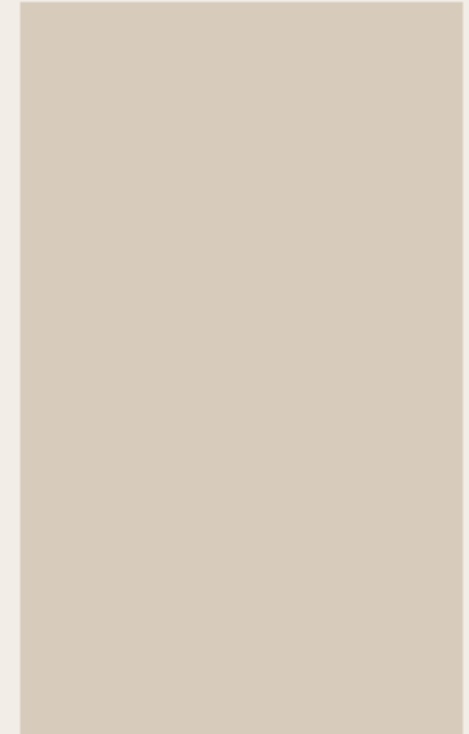

HONEY CARINI

VICENZA OAK

NATURAL HALIFAX OAK

CASHMERE GREY

European-inspired finishes for kitchens, closets, baths and living spaces.

Quiet neutrals. Bold character.

A refined collection for distinctive projects.

FOG GREY

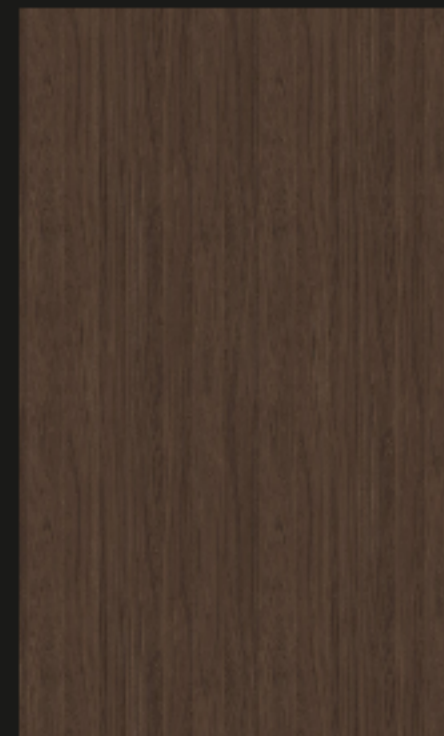

STONE GREY

DIAMOND GREY

REED GREEN

CHOCOLATE CARINI

BLACK TRAMA

Mix woodgrains, solids and tactile textures to create a signature look.

The logo consists of the word "LEGNO" in a white, serif, all-caps font, centered within a blue square. The square has a thin white border.

LEGNO

Premium where it matters.

3/4" PANELS

A solid foundation for refined, durable cabinetry.

PRECISION EDGE BANDING

Clean finishes with PVC edge protection.

HÄFELE HARDWARE OPTIONS

Reliable European-engineered movement.

MINIFIX-READY MACHINING

Efficient assembly and consistent installation.

2-YEAR PRODUCT WARRANTY

Confidence behind every project.

Your name stays at the center.

**We work behind the scenes as your
manufacturing partner.**

- Present the product under your brand
- Control the customer experience
- Build recurring business without factory overhead
- Protect your time for sales, design and relationships

Made in Central Florida.

Close enough to support your growth.

AMERICAN PRODUCTION

Factory-direct cabinetry produced in
Leesburg / Okahumpka, serving partners
across Central Florida.

THE VILLAGES · CLERMONT · ORLANDO · TAMPA

LEGNO

More capacity. More projects. More profit.

Grow your sales without taking on the cost and complexity of manufacturing.

FOCUS YOUR CAPITAL ON GROWTH

Expand your catalog, shorten the path from design to quote and say yes to larger opportunities.

Let's build your next project.

You bring the client and the vision.
We bring the technology, the product and the factory.
